Eco-friendly  
paper  
straws

 **INIPEX**  
International Paper Export

## About us

We are a leading manufacturer of single use eco-friendly paper straws. Our signature straws are made and tested to last in your drink without softening or unravelling. Raw materials are from renowned manufacturers from Germany and Sweden. Our products are 100% bio degradable, tested and certified. State of the art and fully automatized production line helps us to be flexible to suit our customer's needs. We are capable of producing one million units daily. Strategic location of the production hall makes it perfectly reachable to ensure timely deliveries to our customers.

We are aware that a satisfied customer is key to our success. Hence we approach every collaboration professionally and respectfully.
